1. OUR IDENTITY, SERVICE & COSTS.

**The Money Hub Limited,
Suite 7 Hadleigh Business Centre, 351 London Road, Hadleigh, Essex, SS7 2BT.**

We act as an independent intermediary on behalf of our customers. Our service and permitted business includes advising and arranging mortgages and insurance products as stated below:

The Financial Conduct Authority

The Money Hub is authorised and regulated by the Financial Conduct Authority (FCA). The FCA regulates financial services in the UK and you can check our authorisation and permitted activities on the Financial Services Register by visiting the [FCA's Website](#). Our Financial Services Registered number is **649189**.

Mortgage

We will advise and make a recommendation to you on residential mortgages, second charge, further advances and consumer buy to lets after we have assessed your needs and circumstances. This will include a detailed assessment of affordability.

We offer a comprehensive range of mortgages from across the market, but not deals that you can only obtain by going direct to a Lender. We will provide you with a personal recommendation on the basis of a fair and personal analysis of the market.

Insurance

For Non-investment protection contracts we are an intermediary and will act on your behalf when providing and making our personal recommendation(s) to you. We will do this based on a fair and personal analysis. We provide advice on Life Insurance, Critical Illness and Income Protection from a comprehensive range of Insurers from across the market, but not from insurance companies that you can only obtain by going direct to.

For general insurance contracts we offer a non-advised service, meaning we cannot give you advice or a recommendation on products. But in assessing your application we will ask you for information to enable us to identify your demands and needs and present a selection of products relevant to your requirements. You will then need to make your own choice about how to proceed.

Bridging Mortgage (Regulated)

We will advise and make a recommendation to you on bridging residential regulated mortgages. We offer a comprehensive range of lenders across the market.

Bridging Mortgage (Unregulated)

You will not receive advice or a recommendation from us for unregulated bridging mortgages. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice about how to proceed.

Commercial Mortgage

You will not receive advice or a recommendation from us for commercial mortgages. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice about how to proceed.

Commercial Bridging Mortgage

You will not receive advice or a recommendation from us for commercial bridging mortgages. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice about how to proceed.

Alternative Finance Options

Where you are increasing your borrowing we will consider the merits of both a new first charge mortgage and securing this by an additional mortgage on a second charge basis. You may have the option of a further advance from your existing lender however, we will only consider this where we are able to deal directly with the lender on your behalf. It may be in your best interests to explore a Further Advance and an unsecured loan option, as these may be more appropriate for you.

We are required to inform you of the alternative options available to you so that you can consider them against your personal circumstances. We will provide advice on further advances and second charges. We will not however provide advice on whether unsecured lending such as a personal loan is more suitable.

Further advance with your existing lender – We do charge a fee to arrange as stated below and we will be paid a commission by the lender.
